

Spring Is Near

Duple minor longways

- A1. Everyone turn their partner halfway round by both hands. First Couple cast down below the Second Couple, who step up to the first place
- A2. Repeat with the Second Couple casting down, all ending in their original places.
- B1. First Man and Second Woman change places. Second Man and First Woman change places. All Turn Single.
- B2. All take hands and go halfway round back to their places. First Couple cast down below the Second Couple, who steps up to the first place.

NOTE: As with all Duple Minor Longways dances, when you get to the end, sit out one verse, then come back in the opposite direction. Repeat until music stops.
