B - Men cast off left and fall back to back behind your Partner, then turn back to your place. Women then do the same. Change places with your Opposite, passing right shoulders, then your Partner by left shoulders. That again. All take right hands across and go once around back to your place.

III. A - Arm right with your Opposite. Set and Turn Single. Arm left with your Partner. Set and Turn Single.

B - Men meet (small Double toward each other), Women meet and take right hands. Men change places under the arch, then turn and take hands while the Women change places. Take right hands with your Opposite and change places, then left hands with your Partner and change places. All take right hands across and go halfway round back to your place, opening up into a line to bow to the Presence.
